

OKhack Competition

Rules and Conditions of Participation

I. General Rules

1. OKhack Competition is a competition for an invention or a rationalization proposal, that shall be a solution to one of the challenges described at the competition webpage: <https://www.okhack.cz/>. OKhack Competition is organized solely under the rules set by these Rules and Conditions of Participation document (later referred to as „**Rules**“), as well as further directives of the Host and Organizer, as they are defined below.
2. The Host of the OKhack Competition is OKsystem a.s., with registered seat at Na Pankráci 1690/125, 140 00 Prague 4, Identification No 27373665 (later referred to as „**Host**“). Host delegated the organization of OKhack Competition to the company Insane Business Ideas s.r.o., Identification No 24818607, with registered seat at Dřtinova 557/10, 150 00 Prague 5 (later referred to as „**Organizer** “). Organizer acts as a representative of the Host in all matters related to the OKhack Competition and is entitled to perform all tasks, rights, and obligations that are entrusted to the Host by these Rules.
3. Purpose of the OKhack Competition is to create a solution to one of the challenges that concentrate on problems in selected areas chosen by the Organizer. The challenges are centered at these areas:
 - a. Blockchain,
 - b. Artificial Intelligence,
 - c. Security.

II. Participation in OKhack Competition and its course

1. Only individuals and teams of 2 to 4 members (later referred to as „**Team**“) can sign up for the OKhack Competition. Any participant of the Competition shall be at least 18 years old, and at the time of the registration to the OKhack Competition shall be a student of any University with a seat in the Czech Republic. The application is considered complete when an individual or a Team submitted a filled registration form available at the Competition webpage www.okhack.cz (later referred to as „**Webpage**“).
2. At the registration form, every individual or a team member shall state their name(s), surname(s), date(s) of birth, contact address(es), e-mail address(es), phone number(s), a brief CV(s) and motivation text, all of this for any member of the Team and individual as applicable
3. Applications to the OKhack Competition shall be sent by September 9, 2020, 23:59 (11:59 p.m.) of Central European Summer Time. Participation in the OKhack Competition is free of charge.
4. Individuals that applied without any Team, shall create a team during the first day of the OKhack Competition.
5. Between September 9 and 16, 2020, Jury composed of any number of persons selected by the Host (later referred to as „**Jury**“) shall be based on the information provided in the applications, choose any number of Teams for a total of maximum 15 Teams and 20 individuals to participate in the main OKhack Competition. This selection shall be made at the discretion of the Jury, mainly based on the quality and content of the applications, and based on the estimated success potential of the Team in the later stages of OKhack Competition. The Jury is not obliged to state reasons for the selection of the Teams.

6. The main OKhack Competition shall take place on October 2-4, 2020, in Prague, Czech Republic. All selected Teams are obliged to send all team members to the main Competition as long as their medical condition does not prevent participation. Food and beverages, as well as a convenient place for sleeping, shall be provided by the Organizer during the main Competition. At the beginning of the main Competition, the purpose of the OKhack Competition as well as requirements for challenges completion, together with basic guidelines for further progress in challenge completion, shall be presented by the Host and selected experts with practical experience. Following this, individual Teams shall, within 48 hours starting at a moment indicated by the Organizer, find a solution to one or more challenges of the OKhack Competition. If the Organizer deems it appropriate, he shall ensure participation of the appropriate number of Mentors that shall be of assistance to the Teams during the process of the challenge completion. Mentors shall be bound by confidentiality towards the Teams, as well as between the Mentors.
7. After 48 hours elapses, Teams shall present their solution to one or more of the challenges to the Jury. The Jury shall vote to select three Teams as OKhack Competition Winners. Every member of any of these three winning Teams (OKhack Competition Winners) shall receive as a winner prize 1 AppleWatch and 1 ticket for technology conference OKtalks 2020. Winning Teams of OKhack Competition shall be announced by Jury in the presence of other Teams.
8. By the latest on November 12, 2020, the Jury shall vote to select a Team as the Main Winner from the three Teams - OKhack Competition Winners specified above. The Team that was announced as The Main Winner shall receive a total sum of CZK 100.000, - at a time frame chosen by the Organizer; this sum shall be transferred to an account chosen by the Main Winner; decision on how the total sum will be distributed between the Team members is a sole obligation and responsibility of the Team members.
9. All members of all Teams grant, and at the request of Organizer shall immediately and if needed in writing, grant a license to use all results created by them during the OKhack Competition, this license shall be exclusive, not limited to any place, time or any other scope, shall be granted free of any further charge and shall encompass any right to grant these rights to others, in form of sublicense, including any rights to modify, change or dispose of the technical solutions, in the maximum level allowed by relevant laws. Any Team member shall not receive any further remuneration of costs refund for granting of this license, apart from the Prize for Winners as described in Section III. of these Rules.

III. Prize for Winners

1. Host shall grant to the Teams participation in OKhack Competition the following prizes:
 - a. The Team that shall be selected as described in Section III/8 in these Rules as the Main Winner (provided the Team was not expelled from the Competition by these Rules) shall receive a total sum of CZK 100.000, -
 - b. Teams that shall be selected as described in Section III/7 of these Rules as OKhack Competitions Winners, i.e. those that shall be at Places 1-3 of the OKhack Competition (provided the Team was not expelled from the Competition by these Rules) shall receive 1 AppleWatch and 1 ticket for technology conference OKtalks 2020 per every member of these Teams.
2. Prizes according to Paragraph 1 letter b) above shall be handed over on October 4 in Prague at a place chosen by the Host.
3. Prizes according to Paragraph 1 letter a) above shall be handed over on November 12 in Prague at OKtalks 2020 conference.
4. Host reserves the right to substitute the prizes indicated in para 1 above by prizes of comparable usable value if the obtaining of these prizes shall be disproportionately cumbersome or exceedingly costly.

IV. Personal Data Protection

1. By registration in OKhack Competition, all participants and all Team members are aware that their Personal Data will be processed in the following extent and to the following purpose:
 - a. For the purpose of organising the Competition, deciding and announcing its results, as well as fulfilling any legal obligations of the Host and/or Organizer, this data is being processed: name, surname, date of birth, contact phone number and/or e-mail address, University and branch of study, participant skills given by the participant, OKhack Competition results, motivation text or video. If this data will not be collected, it will not be possible for the participant to be accepted to the OKhack Competition, and therefore the participation of the relevant participant is not possible without processing this data. For this reason, the right to process this information lasts until fulfilment of the purpose (organizing OKhack Competition, announcing results, fulfilling legal obligations). Participant that fails to disclose this information cannot participate in the OKhack Competition.
 - b. Any other processing of Personal Data of the OKhack Competition participants is in accordance with Section 5. and 6. of GDPR including making it public when announcing the winners of the OKhack Competition.
 - c. The Organizer is expecting that the time needed for processing the data connected to the organization of the OKhack competition, the announcement of the winners and making the results of the OKhack Competition public is until December 31, 2021 if the participant of the OKhack Competition does not use his right in accordance with the GDPR Section 17 – right to erasure ('right to be forgotten'); Section 18 - Right to restriction of processing; Section 21 - Right to object in accordance with The EU general data protection regulation 2016/679 (later referred to as „GDPR“) using the contact e-mail mentioned in the 2. Paragraph of this Section.
2. The Controller of the Personal Data is in accordance with Section 28 GDPR is the Host. The Processor of the Personal Data is the Organizer. In order to meet the requirements of the GDPR in accordance with the Section 28 Paragraph 2, the Controller agrees that the Processor will include another processor of the Personal Data: Confidence Digital, s.r.o., Identification Number: 24174611: contact no. info@cdigital.cz (later referred to as „**Another processor**“). The Processor will sign a contract with Another Processor about the processing of Personal Data in accordance with Section 28 Paragraph 4 GDPR.
3. Personal data shall be only disclosed to Host, Organizer, Jury, and Another processor. Personal data shall not be transferred to third countries or to international bodies.
4. Information about rights during processing:
 - a. The Controller shall provide upon your request information about measures taken according to sections 15-22 of the Regulation, without undue delay, and in all cases within one month from receipt of your request.
 - b. You have the right to request the right to access the data that is being processed about you, ask for a correction of possible inaccuracies, as well as the erasure of the data (right to be forgotten) or restriction of processing, as well as raise objection against the processing in any time and without giving a reason. You have a right to obtain a certification whether your data is or is not being processed by the Controller. These rights shall be exercised by sending an e-mail or a letter to the address of the Controller given above.
 - c. You have the right to access the personal data concerning you, which you have provided to a Controller, in a structured, commonly used, and machine-readable format and have the right to transmit those data to another controller without hindrance from the Controller to which the personal data have been provided. These rights shall be exercised by sending an e-mail or a letter to the address of the Controller given above.
 - d. You have the right to revoke your consent anytime by sending an e-mail or a letter to the address of the Controller given above.
 - e. You have the right to complain anytime at the relevant controlling office against all actions of the Controller.
 - f. The Controller does not use your data for automated individual decision-making, including profiling. The rights given above can be exercised through the Controller or Processor.

5. Description of technical and organizational measures taken by the Controller and Processor for protection of Personal Data
 - a. **Protection against unauthorized access to the data**

Access to the discs and files containing your data is protected by the Controller and Processor namely as follows. Discs and files containing data are located in a lockable room of the Processor. Entry into that room is granted only to authorized persons. Other persons are allowed to enter in only when accompanied by the authorized persons. Software access is protected by username and password.
 - b. **Protection about unauthorized reading, copying, transfer, editing and erasure of your data**

The software access to your data is protected by username and password. The system of the Processor takes note of all access to individual data. Authorized persons are trained in data protection, any additional training will be recorded. Additional controls are executed of the setup of the system, as well as of adhering to the rules here established.
 - c. **Protection against a breach from the outside**

Software of the Processor is connected to the Internet. Measures in a form of firewall, login and password protection, HTTPS protocol access, and measures by the web service provider are in effect. Additional controls are executed by persons authorized by the Processor.
 - d. **Protection against unauthorized use of access (negligence)**

Each access to the system of the Processor is recorded, while the access logs can be compared. Passwords are changed regularly.
 - e. **Protection against lack of awareness**

All authorized persons were duly trained and shall be periodically re-trained. Training shall consist mainly of information of these persons about the functionality of the system of the Processor, as well as software functionalities and its updates, as well as rights and obligations under the GDPR.

V. General and Final Provisions

1. It is forbidden to influence in any way, mainly by promise or delivery of any consideration, to Jury, including its members, Host and/or Organizer.
2. Decisions of Host, Organizer acting on behalf of the Host. and decisions of Jury concerning selection of Teams in various stages of OKhack Competition as well as stating results and order of Teams in OKhack Competition; are final and shall not be subject to any appeal. Jury is not obliged to give reasons for their decision, and these decisions shall not be subject to judicial or any other review. Any participant of the OKhack Competition pledges to respect them and be bound by them.
3. Delivery of the prizes in the Competition shall not be demanded by judicial means, and cannot be advanced to any other person.
4. Any participant and any Team shall maintain secrecy about all information that he or she learned during or in relation to participation on OKhack Competition; this shall apply to any information that is not widely known in the relevant field of learning, and/or any information that is capable of causing harm to the Host if disclosed to any third party. This obligation shall be valid even after termination of the OKhack Competition with any time limitation. Breach of this obligation is a reason for expelling from OKhack Competition, and shall be a cause for reparation of any and all damages.
5. In case of any (i) breach of these Rules or relevant Law, (ii) attempt to seriously misuse Rules or relevant Law or (iii) attempt to participate or gain prize(s) in OKhack Competition by illicit means, contrary to fair play or good faith, by any member of any of the Team (s), Organizer with the consent of the Host, or the Host alone, is entitled to expel any member of any Team, or any Team as a whole, in any time during or after OKhack Competition, without any right to any remuneration or any reparation of any damages by the Host and/or Organizer. The relevant participant is liable for all damages to the Host and Organizer.
6. Host nor Organizer are liable to any damages caused to any of the Teams or any Participants during or in relation to the participation in OKhack Competition or during use of any of the prizes received in OKhack Competition.

7. host and Organizer reserve right to change these Rules, but shall not do so in detriment to substantial rights of participants acquired in good faith. In case that none of the solutions proposed during OKhack Competition shall be substantially suitable as a solution of the challenges proposed in these Rules (and any subsequent instructions during the OKhack Competition), Host nor Organizer are under any obligation to give any prizes according to these Rules. Actual wording of the Rules shall be available at the Webpage.
8. Host and Organizer reserve right to take any measures, without any prior notice, necessary for protection of public health and/or necessary for compliance of any rules for protection of public health or disease prevention. All participants and Team members are obliged to comply with the rules.
9. Any Team member and participant is obliged without delay to convey to the Host and Organizer any suspicion about any danger to the health of the participant or other person(s), especially any potential respiration illness symptoms.
10. OKhack Competition and all disputes and relations concerning the competition shall be governed by Czech Law, and shall be decided by Czech Courts, namely by the Court of the Organise, who is responsible for organization of the OKhack Competition under these Rules and relevant law.
11. These Rules shall not be interpreted in a way that shall give unjust or unfair advantage to OKhack Competition participants, Host or Organizer.
